Date: August 13, 2006	11:00 am Worship Service
Preacher: Rev. Dr. Negil McPherson	Reference: Philippians 2: 1-18
Topic: Rejoicing In The Lord – Enjoying Communion	

Paul appeals to the church in Philippi that there be humility among them (verses 1-2). Being humble also means to be modest.

Apart from humility, there should also be unity amongst the believers. (Verse 5). By submitting ourselves to God, we will be able to lift our brothers above our own concerns and self-focus...above ourselves. Do we know that peace comes from knowing the Prince of Peace?

Disobedience is a factor that brings about disunity in a person's life. Jesus set the example for us of being completely obedient to His father. Disunity can be an unraveling cord in the church.

As believers, we need to stand and let our light shine in a depraved nation. We ought to do everything without complaining or arguing (verses 14-15).
