

SERMON SUMMARY

Date: September 10, 2006	11:00 am Worship Service
Preacher: Rev. Samuel Vernon	Reference: St. Matthew 28: 16-20
Topic: Answering the Call...To make disciples of Christ	

If the question was asked, “what is the purpose of the local church in the community and surrounding areas”, one has to wonder what the answer would be.

As a church and as children of God, our light must be an attractive one. We exhibit the very mind and character of Christ. We are called to promote the work of Jesus Christ. Jesus requires of us that the world see our ‘good works.’ It is our good works that the world is anxious to see.

Our discipleship must be expressed in practical terms. The first essential to any meaningful discipleship of others is a personal conviction of Christ to us.
